If funding requirements for a project are fully met, it is Advance's policy to apply those funds to similar projects. Advance is recognized by the IRS as a 501(c)(3) organization. All gifts are tax deductible to the extent allowed by law. Gifts made by Arizona donors in support of our work in Arizona are eligible for the Arizona State Charitable Tax Credit. QCO #22188.

1911 West Earll Drive, Phoenix, AZ 85015
Dear Friends,

Are you like me? Humbled by the abundant life I’ve been given. As Christmas and Hanukkah near, we can’t help but reflect on our many blessings. And seek ways to share that hope and light with the world.

The 2023 Advance Holiday Gift Catalog embodies that spirit of generosity. Inside you'll find opportunities to invest in the health of communities with basics like food and clean water. You can strengthen families by giving them a new source of income. Finally, in keeping with our medical mission roots, you can help bring miraculous healing to children and others suffering from treatable conditions.

Together, we helped over 50,000 families overcome hardship and create more promising futures in 2023. Your gift selections will keep that life-changing work going strong.

Thank you for acting on your compassion,

P.S. Have a friend or family member who’s hard to shop for? When you GIVE families clean water, healthy meals, extra income, or medical care, you'll GET a certificate of honor to share with your loved one. See the enclosed order form for details.

In gratitude,

Jeri Royce
President & CEO
Meet Maria & Franco

Maria and her husband are small farmers from Bolivia. After years of being unable to start a family, Maria finally gave birth to Franco.

But Franco was underweight and often ill. Doctors told Maria her son wasn’t getting the right nutrients, but they didn’t explain how to fix the problem.

This issue is common in many underserved communities, where malnutrition is passed down to the next generation.

Maria learned about Advance’s child nutrition classes. There, she found a book that told her what to cook at each stage of Franco’s development.

Today, Franco is a lively 6-year-old. His weight is right for his age, and his height is above average. That never would have happened without your faithful support for Advance!
KEEP FAMILIES FED

Garden Seeds – $27
Provide seeds for one family’s greenhouse garden. Your gift will not only end hunger for families in need, but provide them a new source of income.

Cuy/Guinea Pigs – $75
Give the gift of one dozen cuyes, a traditional food in Peru, to reduce hunger and nourish an Andean family.

Meal Delivery – $200
Prepare homemade, healthy meals for 20 seniors facing food insecurity in Arizona, and deliver them right to their doors. This gift qualifies for the Arizona Charitable Tax Credit.
TRANSFORM A COMMUNITY

Animal Husbandry – Duck $20, Pigs $100
Equip families affected by HIV in Mozambique with livestock and training so they can have a sustainable food source and build healthier lives.

Clean Water System – $200
Deliver clean water to a community suffering from water-borne disease and long treks to meet drinking, washing, and irrigation needs.

Beekeeping – $500
Equip families to start and strengthen beekeeping businesses in places like Peru. Provide workshops and supplies that will improve management, nurture hives, and produce more honey.
PROVIDE LIFE-CHANGING MEDICAL CARE

HIV/AIDS Care – $35
Give medical care, medication, and counseling to people affected by HIV/AIDS and its stigma, especially widows and their children.

Dental Equipment – $75
Show your support for one of our dentists around the globe by sponsoring a kit with everything they need to fill cavities and clean teeth.

Orthopedic Surgery – $150
Help send a team of surgeons to South America to perform life-changing surgeries that give children with disabilities a chance to reach their potential.
Meet Emiliano

Emiliano was crushed when his son was born with clubfoot, where an infant’s foot is turned inward.

He grieved his son, Maximiliano, would have little chance in Ecuador to work, live on his own, or marry.

And every time “Maxito” tried to walk, pain would shoot through his feet and cause him to fall.

Your kindness brought a team of U.S. surgeons to an underserved hospital near Emiliano’s home. With your generosity, they gave his son a life-changing operation for free!

Emiliano felt hope for the first time in his child’s life. And he imagined his boy not just taking his first confident steps, but running.

“We had always dreamed of putting him in soccer lessons ... Now we have hope that he will be able to do it.”
